As this week draws Term 1 to a close, we can look back on a very busy but rewarding eleven weeks of activity at Normanhurst Boys High School. Our Year 7 boys have now completed their first term of high school, our Year 8, 9 and 11 students participated in very successful excursions to various parts of the state and Year 12 reached the half-way milestone in their progress towards the HSC. In addition, there have been a myriad of other activities happening in the school which I hope you have been following in the newsletters. And last, but by no means least, there has been excellent teaching and learning happening in our classrooms. I am sure the boys and their teachers will welcome the upcoming vacation as an opportunity to recharge their batteries before returning for Term 2. Could I remind parents that Term 2 commences on Wednesday 1 May, with Week B.

Could I also take this opportunity to remind parents and students of two special events that will take place on the Thursday of our first week back in Term 2.

- Because ANZAC Day falls in the holidays, we will hold our commemoration assembly on Thursday 2 May.
- Our annual school Cross Country Carnival will also be held on Thursday 2 May. As in previous years, the carnival will be held at Pennant Hills Park.

School Development Day

Next term will commence with two consecutive days for school development on 29 and 30 April. The extra day has been provided to schools to use for staff professional development focusing on the implementation of the new syllabuses for the National Curriculum which will commence for Years 7 and 9 in 2014.

On the first of the development days, we will be joining the staff of Hornsby Girls for a joint professional learning day that will feature a presentation and workshops by Andrew Churches, an academic from Auckland University who will address the topic of “The Twenty-First Century Learner”. This will be followed by workshops on “Creative, Critical and Collaborative Fluencies”.

Our afternoon sessions on that day will focus on specific learning areas with faculties from both schools engaging in a range of professional learning opportunities that focus on the new national curriculum.

The second day of professional development will involve our staff returning to Normanhurst Boys to work on implementation strategies for the new syllabuses specifically addressing the context of our school.

I look forward to reporting upon the successes of these days in next term’s newsletter.

Harmony Day
What a wonderful day it was on Thursday when our students and staff took part in our annual Harmony Day celebrations. At a special assembly, the school enjoyed a range of thought provoking speeches and cultural items. A variety of ethnic dishes were served at lunchtime provided by the kind donation of many of our parents and staff. The day was a wonderful reflection of the accepting, tolerant nature of our school. Many thanks to Mrs Rahman who initiated the event and for the staff organisers - Mrs Gan, Mrs Raj and Mrs Yasaratne. A special thank you also to the parents and staff who donated the delicious food that was enjoyed by all.

Progress on Bus Issue

A number of parents have enquired about progress with the issue concerning the bus stop on Pennant Hills Road which was reported in the newsletter of 22 March. I am happy to say that a meeting has been arranged between Mr Matt Keane, member for Hornsby, a representative from the Roads and Maritime Services and parent and school staff representatives. This meeting will take place early next term and will hopefully provide a satisfactory solution to the problem.

Thank You to our P&C

The first working bee for the year was held last Sunday and a good number of parents and students turned out to lend a hand. Last week's working bee continued the wonderful work of recent years in beautifying the school’s landscape, to the benefit of our entire community. Many thanks to all the parents who gave so generously of their time.

It’s NAPLAN time again

The National Assessment Program—Literacy and Numeracy (NAPLAN) will be completed between 14-16 May by all students in Years 3, 5, 7 and 9 in all government and non-government schools to assess the literacy and numeracy learning of students in all Australian schools. The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The Tests:
- Tuesday 14 May Language Conventions and Writing
- Wednesday 15 May Reading
- Thursday 16 May Numeracy

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. There will be two Numeracy tests: calculator and non-calculator. For the calculator test, students use the calculator that they currently use at school.

A Special Performance

On Sunday 28 April, our concert band has been invited to perform at the reunion of the Officer Training Unit at Scheyville. The camp at Scheyville was the site at which conscripts were trained as officers prior to deployment to fight in the Vietnam War. It has been decided that the reunion to be held on 28 April will be the last reunion and it’s a tremendous honour for our school concert band to have been invited to be part of that special day. Good luck to our musicians and to Mrs Cousins, Mrs Johnson and Mr Howell who will be accompanying the boys.

School Contributions

Many thanks to the parents who have forwarded payment for the voluntary contributions and subject fees. Your contributions are being used to enable us to provide the quality learning experiences that make our school such a special place. If you have yet to make the payment, could I please ask that you forward the contributions to the school as soon as possible. As always, any families that are experiencing financial difficulty are asked to contact me so that appropriate arrangements can be made.

Congratulations to

Our table tennis team which had a convincing win against North Sydney Boys (4-1) to win the competition and become the regional champions. As a consequence of being the regional champions, we will represent Sydney North at the state competition in June. Congratulations to the following boys:

- Anthony Zhao (Year 11)
- Gordon Ng (Year 12)
- Matthew Wang (Year 9)
- Thomas Ng (Year 9)
- Bob Liang (Year 7)

Congratulations also, to their coach Mr Sekaran.

Also in table tennis, Anthony Zhao who was 1st in the Under 18s Boys’ Singles competition and 2nd in the Under 21 Men’s Singles at the Australian Table Tennis Open Championships hosted by the St George and Sutherland Shire Table Tennis Association in April.

Aleks Vukic (Year 12) who represented the NSW Combined High Schools (CHS) at the state championships at Bathurst. Aleks played outstandingly well to place 3rd in the competition and win a place on the NSW team to compete in the National Schoolboys Championships to be held in Adelaide next month.
P&C NEWS
Mr Michael Miller, P&C President

We had a wonderful Grounds Day (… working bee) last weekend. Another hundred or so new plantings were made, and many weeds were removed from our previous planted areas. Thank you to all the parents, children and prefects who were able to attend, and of course to Jonathan Sanders, for continuing to provide such valuable ground guidance.

At our last meeting we carried the motion to renew the P&C sponsored student injury insurance plan to the value of $3,207.60. The insurance is through the Federation of Parents & Citizens’ Associations of NSW – Student Injury Policy. Information regarding this policy can be found at:

The P&C wishes all the staff and students a relaxing and recreational break over the term holidays.

Our P&C Meetings are held on the second Tuesday of each month during school terms in the School Library at 7.30 p.m. Next meeting is 14 May 2013. All are welcome.
