FROM THE

PRINCIPAL

Mr Mark Anderson B. A. Dip. Ed.

Communications Channels: A great deal of work has gone on over the past 12 months in an effort to improve the quality, quantity and timeliness of information going home to parents. Some of the more obvious things include:

- The introduction of assessment handbooks for every year and associated policies
- Improving our consistency in adding events to the calendar for parents to view
- Reworking the school website and significantly increasing the amount of information available and the currency of the information
- Focusing on ensuring the newsletter is more inclusive of events and successes
- Providing additional information evenings
- Rescheduling additional information evenings

While there is still plenty of room for improvement, we are endeavouring to ensure that we are constantly improving. In an ongoing effort to gain additional input in this area from parents, I would like parents to spend about 2-5 minutes completing a short survey on Communication. This will help us determine where we should continue to focus in the future.

Please click on this link to take the survey now if you have the time. An email will also be sent to all parents making this request. Thank you in advance.

Congratulations to our Mock Trial Team who has progressed to the 5th round and commencement of the elimination section of the NSW Law Society Mock Trial Competition. This great opportunity enables the boys to learn about the law and judicial system by running a court case in a true-to-life adversarial setting.

Congratulations to our Junior chess "A" team, who has made it through to the Quarter Finals of the Metropolitan NSW Junior Chess League Competition against Holy Cross College Ryde. The team of Gevindu Abeydeera, Amerthan Thevathasan, Jack Ting and David Louey are very excited about the opportunity. The game will be undertaken on Friday 31 July.

HSC Trials Continue: Our Year 12s have been on examinations over the past week and I would like to congratulate them on the manner in which they have approached the experience. I do not know anybody who actually enjoys the Trials but they are essential in preparing students for the external exams coming up in less than 10 weeks. For almost all of the courses, this will be the last item of internal based assessment. I would like to remind both parents and students that there is an extensive support network at the school for those who are feeling the pressure. In addition to our new Head Teacher Welfare (Ms Thomas) and Senior Studies (Mr Randal), we have a cohort DP (Mr Abas), the school Counsellor (Ms O’Neill), Year Adviser (Mr Rumbelow),...
Learning and Support Teacher (Ms Elliott) and of course our wonderful teachers. If you are concerned about your son not coping please contact Ms Thomas as the first contact point, as she will be able to help you first-hand, or direct you to the best support person for the need identified. Another reminder that all illness and misadventure applications need to go via Mr Abas and the policy strictly adhered to. While some of the things in the policy appear rather inflexible, it has been developed to minimise “loop-holes” which could be used to gain an unfair advantage over other students. To ensure the boys are given an authentic exam experience, we have hired the same Examination Supervisor that is used by BOSTES for the HSC to supervise the process of invigilation to a BOSTES standard.

Jenolan Caves: It is that time again when Year 7 head off to the week-long Jenolan Caves learning experience. This is a massive undertaking and I know that all of the boys are really excited. Since 1958 our boys have been heading up to the Mountains for this pilgrimage to the caves. It is very much a rite of passage and one that is central to cementing long term friendships and creating the brotherhood between the boys that enables them to weather the demands and stresses of being in a selective environment. The time away from mum and dad helps to develop their sense of self and assists them in finding their place in Team Normo. While most of the boys already have a good circle of friends, there are a few who are still finding their way socially and this camp enables us to undertake a little social engineering and ensure that all of the boys are connected via an appropriate friendship group. I know that Ms Thomas, Ms Free, Mr Rumbelow and Ms Harman put a great deal of thought into the planning of rooming and work groups. Thank you to all of the parents who have supported this initiative by getting in forms promptly, and of course, paying for the camp. It is not an inconsequential amount of money but rest assured that every cent is pinched as hard as we can, to give the boys the best possible experience and value for money. I would ask that the small minority of parents who are yet to finalise their invoices do so before the boys return from camp. Mr Rumbelow has been burning the midnight oil to ensure this camp runs smoothly. This is an enormous organisational undertaking and his efforts and those of the staff members who are about to give up 4 nights of their family time to support this camp, are greatly appreciated. Thanking you in advance for your support in this area. I look forward to joining the camp at 7am on Wednesday morning and will stay with the boys until the end on Friday.

While I am in Accounts Receivable Mode: The office is about to send out another series of reminder letters for parents who are yet to finalise their accounts. Head Teachers who rely on parents paying fees to cover the cost of consumable items used, pre-purchased for students in classes like Art, Industrial Arts, additional Science experiments etc, may be discreetly giving students a reminder letter for you over the coming months. These relatively small amounts are charged so that the school can reduce the items that parents would need to buy on a regular basis for their son’s use. We appreciate how difficult it is for parents to buy things like timber, food items, paints etc and that the boys would otherwise probably ask you the night before things are required, thus generating stresses for all. While we will continue to provide the essentials required in all classes, parents do need to assist by paying these amounts to enable an extension in opportunities. Should you wish to “opt-out” of the group pre-purchase of consumables, please let the teacher know so that they can provide you with the list of things that will need to be independently sourced for the lessons.

Likewise with excursions, all permission letters require acceptance of the need to pay for the cost of the event. For those who cannot pay the balance I urge you to finalise the subject consumable charges first. Thank you to all the parents who have already finalised their accounts. While DE schools continue to provide the basics required for learning, there are few parents or students who just want the basics. It is an “ugly” topic but one that is central to offering the expanded opportunities our gifted boys require.

SECONDARY SCHOOLS RENEWAL PROGRAM: We are very fortunate be part of this exciting new State government initiative to give some of NSW high schools a rather substantial “facelift”. While we are really grateful to be on the program, I cannot help but feel guilty that there are so many other schools that also need the benefits that this will bring. I guess we need to celebrate every victory and every step in the right direction.

At the last P&C meeting I gave a short progress report on where we are, and outlined what the program is about. For those who are interested in the scope of this program, this link will take you to the Guidelines document which I have placed on our website for parental reference. The “skinny” on the program is that it is essentially about the streetscape aesthetics, the journey to the front office and the experience at the front office. It is not about anything else. So far, I have attended two meetings, with the most recent one involving a significant cast of stakeholders including our P&C President, Head Prefect, my Director, Department of Education representatives associated with school property, architects and project managers. We were presented with three options for the development of the entrance and the path to the office, and two very draft options for the office, all of which will need considerable work to ensure an appropriate balance of form and function. With all the work and building that will be required to be completed by Christmas 2016, I am pre-ordering ear plugs for all concerned. Hold on everyone, this is likely to be a very bumpy and noisy journey - but one with a grand vista at the end. From the boys’ perspective we are fortunate that the work will be focused away from learning spaces. I may need to adopt a classroom for some serenity.
P&C NEWS
Mr Sade Kalasabail, P&C President

Our Next P&C meeting will be held on Tuesday 11 August 2015 in the school library at 7.30 p.m. We will be advising in the next weeks of the special presentation we are planning to have during this meeting. All are welcome.

Further information about P&C is available on the School website [http://www.normanhurb-h.schools.nsw.edu.au](http://www.normanhurb-h.schools.nsw.edu.au) under the “P&C” tab along with details of the previous meetings.

Our next Grounds Day (... working bee) this term will be held on Sunday 23 August (9.00 a.m. – 12.00 noon).

SRC UPDATE
Ms Michelle Gibson-Garside, SRC Coordinator

On Thursday 16 July, the SRC attended the Normanhurst Boys’ Leadership Camp along with the Prefects, House Captains, Mr Mark Anderson and Mrs Debby James. It was a terrific opportunity for the leadership groups to build new connections, work collaboratively and set goals for the next year.

The new SRC elected their new executive for 2015/2016. The executive positions, as per the SRC constitution can only be held by Year 9 and 10 students. Therefore, I am pleased to announce the new executive:

- **Leader**: Anshul Baruah (Year 10)
- **Deputy Leader/Treasurer**: Luhith Jayanetty (Year 10)
- **Secretary**: Jim Ji (Year 10)
- **Publicity Officer/Hornsby Girls High Liaison**: Daniel Pivetta (Year 9)

Congratulations to the new SRC executive team and I look forward to a successful year.

SRC meetings are held every Tuesday at lunchtime in laboratory DL2, and students/guests are invited to attend or contact their SRC member to discuss any student concerns or provide any specific feedback.

National Plant-a-Tree Day
It was a gorgeous, sunny winter’s day on Friday 24 July, when students from Normanhurst Boys planted native trees in the school grounds for National Plant-A-Tree Day. Thirty enthusiastic gardeners turned up early in the morning with their gardening gloves and a passion for the environment. The boys cleared the weeds and ivy out of the garden near lab DL4, and replaced them with native trees. A small forest was also created near Pennant Hills Road, with the boys planting a total of 110 trees. The event ran very smoothly due to the efforts of Mr Tim Copping and his vast gardening knowledge.

A very special thank you goes to Phil McCarroll Toyota for providing T-shirts, gardening gloves and native plants. Without their assistance this event would never happen! This is the 20th year of Planet Ark’s National Tree Day and Schools Tree Day – which is Australia’s largest community tree-planting and nature care event, with Normanhurst Boys being a big part of this for many years!

OPENS FOOTBALL IMPRESSES
Mr J Tulloch, 1st XI Manager

Normanhurst BHS had four teams in the four Open grades in Football: 1st XI; 2nd XI (a Year 12 team); 3rd XI (a Year 11 team); and 4th XI (a Year 10 team). All four teams made the Zone semi-finals in a Zone noted for its strength. The 1st XI finished third, 2nd XI third, 3rd XI second and 4th XI finished first. In fact eight of our eleven football teams made it into the semi-finals. This is a very pleasing outcome and for the Opens this was as well as we have ever done.

A special thanks to the Year 12 boys committing to enhance our grade performance this year. Four Year 12 boys were part of the successful 1st XI team. Dave Anand gave six years of passionate and complete commitment. Nikhil Mooray-Pasala, the Captain, gave six years of outstandingly skilful effort and obtained two champions medals (13As and 15As) to go with it. Glade Wei was the scorer of many goals over six years and Keita Richardson was for six years a reliable right back.

Eight of the first grade squad will be eligible again next year in what promises to be another very good year. I look forward to seeing the skill of talented players such as Tae Jang, Leo Lee, Daniel Jo, Lachy Berry and Edward Huang again next year.

The school is also fortunate to have very confident student referees in Alex Caldwell and Sean Aguilar.

In the semi-finals on a wet ground unconducive to our skilled, short passing game, the 1st XI outplayed Asquith even though 3 of our players were still overseas. We came so close to winning but exited because the 1-1 draw we obtained was not enough and we finished third in the competition. The 2nd XI despite a fully determined effort and a great penalty save by Hamza Siddiqui had a similar fate, a 1-1 draw against a very good Epping side.

It has been a pleasure to manage this talented, well-mannered and respectful team. We are also grateful to the organisational efforts and support received from Mr Edwards, Mr Rodgie and Ms Meakin from the PE Department in making our zone competition such a worthwhile one.
The first grade squad was Nikhil Mooray-Pasala, Keita Richardson, Glade Wei (all Year 12), Lachy Berry, Alex Caldwell, Edward Huang, Leo Lee, Daniel Jo, Tae Jang (all Year 11) and Ganesh Sivagurunathan, Ashan Wijesinghe (both Year 10).

Congratulations to the 13Cs in winning their grand final. The squad was: Justin Cho, Ashwin Cuganesan, Sung-Jun Ki, Dennis Kim, Jabir Magrabi, Don Novakovic, Kailash Sarma, Reyen Shah, Bhuvann Siva, Glenn Stewart, Damien Wong, Tejas Bhuta, Matthew Choi, Xerxes Lopes, Chamin Navaratne, Tim Wu, Coach: Ms Ramsay.

SCHOOL CAREERS INFORMATION

Year 12
Dates for the diary
Graduation Assembly and Dinner – Tue 15 Sept
Last Day of Term 3 – Friday 18 September
On-time UAC applications close: 30 September
Formal – Monday 23 November
HSC results released: Wednesday 16 December

Year 10
Work Experience
Year 10 has now finished their work experience lessons. The boys have their second work experience pack. There are 138 placements this year.
I am asking parents/carers to please review the information with the boys before the 3 August. There is a ‘weekend before’ checklist to make sure they are fully prepared for the Monday. If you would please make sure they review where they are going, their contact person, their hours, how to get there, dress requirements and their emergency contact details.
Year 10 are reminded to have their contact person complete the ‘Host Employer Assessment Report’ and return it with their completed journal in their folder to the Careers Office on their first day back at school. Enjoy work experience year 10 and make the most of this opportunity.

UNIVERSITIES

UNSW: Actuarial Studies Student/Parent Information Evening
Wed 16 September, 5.30pm – 7.30pm, UNSW Business School Lounge, UNSW Business School Building, Level 6, West Wing
UNSW students and their parents are invited to visit UNSW to find out more about their Bachelor of Actuarial Studies degree, associated dual degrees, and the Actuarial Studies Co-op Scholarship program.
Contact: (02) 9385 3507 or studybusiness@unsw.edu.au
http://www.futurestudents.unsw.edu.au/actuarial-studies-studentparent-information-evening

Teach.NSW Scholarships
Teacher Education Scholarships
Applications close Fri 18 September
$5000 per year of full time study, $3000 appointment allowance and a permanent teaching job upon graduation.
Up to 220 Teacher Education Scholarships are available to future teachers of mathematics, science (with physics), selected Technological and Applied Studies (TAS) subjects or special education (K-12).

Teach.Rural Scholarship Applications close Fri 18 September
$6000 per year of full time study, $5000 appointment allowance and a permanent teaching job upon graduation.
Up to 50 scholarships are available for those wanting to study to become a primary or secondary teacher in a rural or remote NSW public school.

Great Teaching, Inspired Learning Cadetships
Applications close Fri 18 September
Part-time position while studying, experience in a school and a permanent position upon graduation.
Up to 25 cadetships are available for prospective secondary or special education (K – 12) teachers.
https://www.teach.nsw.edu.au/

UNE: Direct Early Entry Program Now Open
Applications close Fri 11 September
UNE’s Early Entry Program allows students to gain entry into UNE before they receive their ATAR. Students are required to apply online and have a representative from their school confirm details of their application before they are considered for early entry by UNE.
2016 applications for UNE early entry program are fully online.
Schools are required to register for the Early Entry Program to enable students to apply.
http://www.une.edu.au/study/study-on-campus/get-early-entry

ACU Early Achievers’ Program
Applications Open: Monday 10 August 2015, Applications Close: Monday 19 October 2015
The Early Achievers’ Program considers the contribution you have made to your community through your school or workplace, local community organisation, cultural and/or religious group.
One of the biggest benefits of the program is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements.

http://www.acu.edu.au/study_at_acu/alternative_entry/early_entry

UNSW Open Day Program
View the times and locations of various talks and workshops that will be held at UNSW Open Day.

UNSW Explorer Award
A $10,000 award recognises the achievements of exceptional students who are finishing high school and starting university. The Explorer Award is given to students with outstanding academic results and proven experience as social leaders.
To learn more and apply, visit: https://www.arts.unsw.edu.au/future-students/undergraduate/scholarships-awards/explorer-award/

On-Campus Accommodation at Warrane College UNSW for 2016
Warrane is a residential college affiliated with UNSW which offers its residents a more complete university experience. Residents are encouraged to develop academically, culturally, socially and on the sports field. We run a number of extra-curricular programs to develop a sense of leadership and community service among residents, including a yearly overseas workcamp.
- Residential and academic tutors
- Weekly VIP guests and industry connections
- Fully catered and affordable fees
- Wide range of accommodation scholarships
Check out our website for more details: www.warrane.unsw.edu.au

University of Sydney: Sydney Science Forum 2015 Time After Time - Measuring Evolution with Molecular Clocks
Wed 19 August, 5.45pm – 6.45pm, Eastern Avenue Auditorium
Associate Professor Simon Ho will reveal how molecular clocks use statistical modelling to describe the evolutionary process at the genomic level. Discover how molecular clocks are uncovering our past and predicting our future.

Catch CO2: Getting Creative about Climate Change
Wed 9 September, 5.45pm – 6.45pm, Eastern Avenue Auditorium
Dr Deanna D’Alessandro from the School of Chemistry will speak about why carbon dioxide capture has been so difficult and whether we can make fossil fuel energy sources less harmful.

Galloping Genes: Equine Genetics in the Racing Industry
Wed 21 October, 5.45pm – 6.45pm, Eastern Avenue Auditorium
Dr Natasha Hamilton will share her research on genes for galloping and DNA for dashing. Dr Hamilton investigates the genetics underlying not only racing performance, but also novel traits such as career length and susceptibility to certain diseases.

PRIVATE COLLEGES

NIDA courses and experiences for Young People
2016 full-time course applications close 30 September 2015
NIDA offers a range of courses and experiences for young people across a variety of disciplines from introductory courses in Drama, Acting on Screen, Music Theatre and Public Speaking to the Young Actors Studio or Residencies for young people aged 15-18 years. Their courses run in conjunction with the school term and holidays at selected
times throughout the year. There are courses to suit all young people from the curious beginner to the young artist seeking pre-professional training. 

https://www.open.nida.edu.au/courses/Demographic/YoungPeople

**AIE Online Campus Experience Day**

Sat 22 August, 12.30pm - 4.00pm,

Course overview sessions will be running on the range of online courses in 3D animation, game art, game programming and game design offered by AIE. There will also be opportunities to participate in workshops and hear talks from guest speakers.

http://www.aie.edu.au/oed

**OTHER NEWS**

**Engineers Australia: Honeywell Engineering Summer School**

Sun 6 December – Fri 11 December, Dunmore Lang College, Macquarie University

100 students from across NSW and ACT who are about to enter their final year of study will come together and attend lectures and demonstrations at five universities across Sydney. Participants will learn about the role of professional engineers in society by meeting and interacting with professional engineers employed by government, private companies, researchers and academics in a wide range of engineering disciplines.

Applications are accepted on a first come first serve basis.

Contact: 02 9410 5612 or sydschool@engineersaustralia.org.au

**Australian Veterans' Children Assistance Trust Scholarships**

Applications for 2016 scholarships will open on 18 August 2015 and strictly close on 31 October 2015.

Australian Veterans' Children Assistance Trust is a national independent charity with the aim to help the children and grandchildren of ex-service men and women to a better future through higher education. They aim to provide financial assistance on the basis of necessitous and deserving circumstances. Their scholarships assist those selected to achieve a base-level qualification which will allow them to enter the workforce in their chosen career. Their students attend universities, TAFE colleges and other approved tertiary institutions around Australia. Over the years they have had artists, nurses, psychiatrists, sports science students, teachers, musicians, social workers, climate change engineers, doctors, meteorologists, oceanographers and even a circus performer.

**An Excellent Resume for Someone with No Experience**

The following article showcases a resume and outlines the features that make it an exemplar resume for a jobseeker without any experience.

**Study Assist**

Study Assist is an Australian Government program that assists tertiary students with financing their education. This website contains information about the range of government assistance available to students participating in tertiary study.

**TSFX HSC Study Tips:** Biology, Economics, Legal Studies, Physics

**Australian Qualifications**

While you’re making decisions about what you want to do once you leave school, it’s a good idea to know how the qualification system in Australia works, ranging from Certificate I to Doctoral Degree. Check out these resources to see it explained.

</table>
The Northern Sydney Youth Orchestra (NSYO) is currently inviting players to join the Symphony Orchestra, the Wind Ensemble and the Strings Orchestra. NSYO is a not-for-profit community organisation. Our youth orchestras rehearse weekly at Beecroft on Wednesdays.

If you play Strings, Brass or a Wind instrument why not contact us to find out more?

For more details, and to find our online application form, please visit our website http://www.nsyo.org.au or email: info@nsyo.org.au
Normanhurst Boys High School

ENTERTAINMENT™ BOOK FUND RAISER

Order your new 2015 | 2016 Entertainment™ Book...discover the best deal of all!
